**PRAISING & PRAYING
ACROSS TEXAS**

As people of faith in America, we know well the power God's people experience when they pray. America begins a new era as our nation experiences major changes in leadership. As excitement for a new time blends with terror and attacks across the world and our nation, it is prudent that we pray and seek God's wisdom. During this process and privilege, it is imperative that we pray for God's plan.

In planning ahead we would like to invite you, your family, friends, church and prayer groups to join with hundreds of thousands of others across our nation to participate in 2017 National Day of Prayer on its 66th Anniversary - THURSDAY MAY 4, 2017
