

PRAYBIG!

Freedom Seven is an initiative that challenges you to commit to prayer for our country on a daily basis. It involves praying for seven minutes a day about seven centers of power. By targeting these specific areas, America can experience the freedom that accompanies God's power.

Government - Pray that the Lord would grant wisdom, discernment and boldness to those who serve in authority over us, from city council members to the President. Also lift up appointed officials such as judges, cabinet members and agency heads, as well as the men and women in our military.

Media - Pray for journalists to be fair and accurate and for entertainers to conduct themselves in a responsible manner.

Education - Pray that your schools will get "back to basics" when it comes to educating our children, instilling the leaders of tomorrow with a respect for the Judeo-Christian values upon which our nation was founded.

Church - Pray for your churches and their leaders while asking God to grant us wisdom and vision to make the church a vessel for healing and revival in America.

Military - Pray for divine provision and protection for all military personnel and their families. Pray for their courage and dependence on God and perseverance to endure hardship. Pray for Chaplains to deliver God's strength and Word.

Business & Economy - Pray for integrity among Christian workers and business owners to serve with humility, compassion and grace. Pray for God's protection and support for job security and growth.

Family - Pray daily, not only for the institution of the family as a whole, but for individual families within your circle of influence that may be struggling.

National Day of Prayer Task Force

PRAYER ~ America's HOPE!

We wait in hope for the Lord; He is our help and our shield. In Him our hearts rejoice, for we trust in His Holy Name. May Your unfailing love rest upon us, O Lord, even as we put our hope in you. Psalm 33:20-22

ADOPT A LEADER PROGRAM

Connection... Get to know your leader and make it possible for them to know you. Introduce the NDP Adopt-A-Leader program.

Direction... Ask for directions as to how we can help and pray for them. Advise them that we are not a one-day event, but a daily discipline of prayer for our leaders and our nation.

Correction... Offer to help them in positive ways for making good legislation and preserving and protecting our freedoms, specifically to gather, pray and worship in the public places of Texas.

May 7, 2009 marks the 58th Annual National Day of Prayer. Once again Americans have a unique opportunity to unite in heart and mind as we stand against the forces that endanger the well-being of our country and all we hold dear. Please take time to join millions of individuals who will kneel before God's throne to intercede for this great land and its citizens not only on May 7, but as a daily discipline throughout the year.

"Lord, God, we acknowledge You as our strength, our shield, and our hope. We trust in You alone. Hear our cries and have mercy on Your people! We ask for your divine intervention in the affairs and lives in all our leaders and especially the seven centers of power in America."
